

How to Order a Pet Portrait

Print a copy of the order form below. After completing the information, send it with the photo you wish painted, clearly marked with a post-it note, and non-refundable deposit check or money order, payable to Teresa Silvestri. Please include a few additional reference photos of your pet. All photos will be returned with your finished artwork. Click on *Photo Tips* for more information.

After your portrait is complete, I will email you a digital photo of the artwork. After your approval or request for changes, I require a check or money order for the balance, and then I will ship your portrait to you.
